Chaudhary Charan Singh University

(BCA) Bachelor of Computer Application

Sep. 2016 – May 2019

Meerut, UP

SRI College

Senior Secondary

Sep. 2014 – May 2016

Saharanpur, UP

SUMMARY

Energetic and quick-learning fresher with a solid academic background in software engineering and practical experience from an internship at CodeSoft. Strong in problem-solving, teamwork, and backend development using Java and Spring Boot. Interested in developing RestApi and working with microservices, as well as monitoring, logging, and managing monolith-to-microservices migrations. Looking for an entry-level opportunity to grow in a professional environment.
